

Releases About

B-Side of Erich Schall's somemoreversions deleted

25. June 2016

Today we deleted the B-Side from Erich Schall's somemoreversions. It was since day one planned as a time-limited release. Why not go to search it on the web?

2063music group on Facebook

15. June 2016

Fans of 2063music may want to join the 2063music-group on Facebook. You will usually get label-related new there in a very fresh condition. And also meet the people around the label online. Be there.

Today I also added two YouTube-videos to the release "Ehom - Memory Fragments". And a SoundCloud-stream to "Erich Schall - somemoreversions".

Erich Schall - somemoreversions

5. June 2016

New release and the first from Erich Schall on 2063music. It's a digital dub album and we thought, to try out something new.

We split this release in two parts. The "a-side" will be available online forever, the "b-side" only for a limited time. Uploads social media sites possible, since it's cc-licenced. Read more at the release-page: "Erich Schall - somemoreversions".

Ehom - Memory Fragemnts

1. May 2016

We promised to come back. And here is the first release in 2016. It's a great ambient-album from Belarus artist Ehom, called "Memory Fragments". Checkout the archive.org page from this release, and also notice the other places on the web fro Ehom: Soundcloud and Bandcamp.

Hello 2063

Apr 2016

After eight years of break I decided to go on with this netlabel. Yes, a little sensation!

The content of this site will be updated bit by bit. New relases are about to happen. Expect extremely cool new and fresh sounds from Cologne. It will be good! You can currently just browse the release-archive.
M. Wisniowski aka Q20200 / Nodepond.

This site was generated with a lua-script - it is now pure html and css. No dynamic stuff. This site loads in record-time. Have a good time in saving resources!
Save energy, use pre-rendered websites. 2063music loves you!
